Пескоструйные Рисунки

Пескоструйная обработка зеркал - метод обработки зеркальных поверхностей с применением абразивных частиц, посредством которых наносятся рисунки любой сложности. В зависимости от пожеланий клиентов, специалисты нашей компании нанесут пескоструйные рисунки на всё зеркало или создадут на его поверхности определённый матовый рисунок с помощью специального трафарета. В этом каталоге вы сможете ознакомиться с множеством таких трафаретов. Кроме этого, мы делаем трафареты по индивидуальному эскизу клиента любой сложности.

Стиль и красота вашего дома
